Shivam Jangir

Software Engineer — Java Backend Developer

+91 6377880634 shivamjangir43@gmail.com LinkedIn GitHub

PROFESSIONAL SUMMARY

Software Engineer fresher with a Bachelor of Computer Applications (BCA) and hands-on experience developing Java and Spring Boot applications. Strong foundation in Data Structures and Algorithms, Object-Oriented Programming, SQL, and REST API development. Experienced in building database-driven and full-stack applications using Spring Boot, React, JavaScript, and MySQL. Seeking an entry-level Software Engineer or Java Backend Developer role to apply problem-solving skills and build reliable, scalable software solutions.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, HTML5, CSS3
Backend: Spring Boot, REST APIs, Spring MVC, JDBC, Hibernate/JPA
Frontend: React.js, JavaScript, HTML5, CSS3
Core Concepts: Data Structures & Algorithms, OOP, Collections, Exception Handling, Multithreading, DBMS, Authentication
Database: MySQL, SQL
Tools: Git, GitHub, IntelliJ IDEA, Postman

PROJECTS

Job Portal Application GitHub

Java, Spring Boot, Spring Security, MySQL, REST APIs, Thymeleaf

- Developed a full-stack job portal with separate Candidate and Recruiter workflows for job discovery, applications, and job management.
- Implemented user registration, login, authentication, and role-based authorization using Spring Security.
- Built recruiter functionality to create, update, manage job postings, and review candidate applications.
- Implemented candidate features including job search, job applications, application tracking, and resume upload/retrieval.

Cryptocurrency Tracker GitHub

Java, Spring Boot, REST APIs, JavaScript, HTML, CSS

- Developed a cryptocurrency tracking application that consumes external REST APIs to retrieve and display market information.
- Implemented Spring Boot services and REST endpoints for processing and serving cryptocurrency data.
- Created a responsive interface for displaying cryptocurrency prices and market information.

Personal Portfolio Website GitHub

HTML, CSS, JavaScript

- Designed and developed a responsive portfolio website showcasing technical skills, projects, education, and professional information.
- Implemented responsive layouts and interactive UI components using HTML, CSS, and JavaScript.

EDUCATION

Bachelor of Computer Applications (BCA) 2025
University of Rajasthan, Rajasthan

CERTIFICATIONS

AWS Cloud Practitioner **Google Data Analytics**

ADDITIONAL INFORMATION

Problem Solving: Data Structures and Algorithms with hands-on problem-solving practice
Career Focus: Software Engineering, Java Backend Development, Full-Stack Development
